VERSATILE & FLEXIBLE

For new homes, these windows are built to your individual needs with optional nailing fin and brick mould, with jamb returns and frame extensions to fit your type of wall construction.

- **Strong, Durable, Maintenance Free uPVC Vinyl Construction**
Warranted for a lifetime of performance.
- **Vinyl is impervious to the elements and never requires painting**
- **Multi-Chambered Profiles**
Designed for energy savings, extra strength and maximum insulation.
- **Slim Profiles**
Engineered for maximum light penetration without sacrificing strength.
- **Computer Controlled Precision Miter Cutting**
Frame and Sash are welded simultaneously for a perfect fit.
- **Attachments**
The 100M and 150M frames feature 3 1/4" standard frame depth for retrofit installations. (This cross section shows siding brick mould with nailing fin, which is an available option for new construction.)

* Tested with Low E, Argon Gas and a warm edge spacer. *Ask your dealer for details of glass requirements.

hardware **TRUTH HARDWARE**

- **Superior Triple Seal Weather Stripping**
High pile is designed to let the water run out while preventing insects from entering. Neoprene bulb seal is the ideal compression seal. Dual neoprene interior and central compression seals are air and water tight!
- **Truth Ultra Operator with Fold-Away Handle**
Our standard Truth Ultra Operator is heavy duty, functional and beautiful. The sleek styling allows the handle to fold into a recess in the casing for a clean look allowing clearance from your window coverings!
- **Aluminum Reinforced Frame**
Ensures the casement hardware is securely anchored into the vinyl frame with special cut screws threading into the aluminum, as well as the vinyl.
- **Patent Pending TouchScreen™ Standard**
Our Unique TouchScreen™ design will allow you to remove and replace your screen with ease. No more pins, tabs, springs or other mechanical parts.
- **Single Lever Multipoint Locking System and Hinge**
The Truth Maxim Multipoint Lock and Hinge System is the industry's finest and is standard on our Premium Casements and Awnings. The Truth Maxim Hinge is specifically designed to handle heavier loads from larger windows with ease, time after time! All hinges are concealed when closed. Window's minimum width of 14" opens 90° for easy cleaning. (Widths 12" - 14" open 70°.)

Wide Selection of Styles and Configurations

Optional Internal grills for beauty and distinction.
