**THE VINYL COMPANY**  
QUALITY EXTRUDERS SINCE 1998

*glass* **Stainless**

**TheTempSmart™**  
Spacer System

**VERSATILE & FLEXIBLE**

*For new homes, these windows are built to your individual needs with optional nailing fin and brick mould, with jamb returns and frame extensions to fit your type of wall construction*

- **Fusion Welded Frame and Sash**  
Welding creates a fully sealed, continuous profile that eliminates potential air and water penetration through frame and sash corners.
- **Maintenance Free Solid uPVC Vinyl Profiles**  
The multi-chambered design provides structural strength as well as insulating air pockets which reduce heat and cold transfer.
- **Integral Pull Rail**  
Permits sashes to be operated with ease.
- **Built-in Water Management Systems**  
Carefully engineered independent water management system allows for quick drainage to the exterior.

**Window Ratings 300**  
NAFS, R-PG30, Water 220pa, Air - A3, F20  
NFRC Certified  
AAMA Certified  
CSA Certified

\* Tested with Low E, Argon Gas and a warm edge spacer. Ask your dealer for details of glass requirements.

- **Double Bond Glazing System**  
Flexible dual durometer seals hug the glass from both sides. The system also includes a wet glazing tape applied to the interior side. The result is an unprecedented barrier against air and water penetration.
- **Commercial Glazing Technique**  
Exterior glass stops, combined with the Double Bond Glazing, are more effective in maintaining a well-sealed window.
- **High Performance Glass Options**  
Choose Solar Gain Low E for free solar heat or Solar Shield Low E for reducing solar heat gain. Argon and Krypton Gas fillings will maximize heat savings! KeepSafe Glass is the laminate of choice for security, quiet and safety! E-Clean Glass uses the energy of the sun to reduce dirt on your glass.
- **7/8" Overall Insulating Glass**  
Results in superior thermal performance. Our optional high performance triple glass has two 1/4" air spaces. With Krypton Gas and double Solar Shield Low E, this results in a R8.2 (.12U) center glass value.
- **Warm Edge Spacer Technology**  
Only the best warm edge spacers will reduce perimeter condensation on an insulating glass unit, fight mold and increase the comfort of your home.
- **IGMA Approved**  
Certification Numbers - Stainless #2521-P, TempSmart™ #2248

*hardware*

- **Triple Seal**  
Three layers of premium Fin Seal stop air and water as they reduce sound transmission. Benefit from the best sliding seals available!
- **Recessed Tilt Latches**  
Both sashes tilt in for easy cleaning from inside your home. Our recessed design maintains a clean and attractive sight line in your window.
- **Cam Locks**  
Heavy duty 180 degree locking cams pull your sashes tightly together for a great seal!
- **Smart Lock (Optional)**  
Smart Locks allow you to both unlock and tilt your sash with a single operation.
- **Quick Lock Shoes**  
When you tilt your sash for cleaning, a secure locking action from multi-directional shoe expansion break-points secures the sash in place.
- **Hinged Drain Covers**  
Designed to keep bugs out while allowing water to flow to the outside.

As we are constantly improving our products, specifications may have changed from those herein. Please contact VWD regarding up-to-date specifications.

*Wide Selection of Styles and Configurations*

Optional Internal grills for beauty and distinction.
